HAMPTON
Shake Siding

Rustic Elegance

Naturetech's Hampton Shake panels create intricate shadow lines that enhance the appearance of traditional homes. A classic blend of beauty and craftsmanship.

- The authenticity of real wood shakes.
- Heavy duty 1/2" thickness – 30% thicker than competitive siding.
- Our superior design allows for all nails to be hidden, giving you a more attractive appearance.
- Interlock system for precise horizontal and vertical alignment for an easier installation.
- Baked-on finish for ultra-low maintenance.
- Available in a full palette of designer colors.
- 50 year warranty on the substrate and 25 years on the finish.
- Coverage per panel: 2.44 sq. ft.
- Ten (10) panels per box.
